

# Live Well Sioux Falls

## TOP TEN 2018

**1 Community Health Needs Assessment (CHNA):** Collaborate with community partners to collect data for the 2019 Community Health Needs Assessment.

**2 Healthy Fitness Festival:** Work with community partners to host a signature event featuring a variety of physical activity opportunities.

**3 The Big Squeeze:** Work with community partners to expand this annual screening program to raise awareness of high blood pressure and its consequences.

**4 Live Well Certification for Healthy Places:** Develop a “healthy place designation” pilot program for restaurants to recognize promotion of healthy options.

**5 Eat Well. Live Well:** Work with the Sioux Falls Food Council to feature a monthly fruit or vegetable with a unique recipe created by a local chef and continue grocery store tour program to help families buy healthy, affordable foods.

**6 Tobacco-free Places:** Continue partnership with the Sioux Empire Tobacco-Free Coalition to promote smoke-free multi-unit housing and work with partners to increase the number of tobacco-free places in the community.

**7 Bike and Pedestrian Promotion:** Develop a bike and pedestrian safety campaign to educate the public using all modes of transportation and to specifically promote active transportation. Continue to promote Live Well Bike Smart bike racks and develop a map showing bicycle parking locations.

**8 Feel Well. Live Well:** Integrate behavioral health and substance use awareness into Live Well Sioux Falls strategies.

**9 Increase Live Well Sioux Falls Brand Awareness:** Use traditional and nontraditional (social) media to promote the Live Well Sioux Falls brand and the program's activities.

**10 Work Well Statement of Commitment:** Collaborate with the S.D. Department of Health and local employers to advance worksite well-being and launch the updated “Statement of Commitment” with 15 pilot companies.
