Grow an Extra Row!

Lettuce, Turnip the Beet!

- About 11 billion lbs of garden produce is wasted annually
- Over 40 million gardeners in America, many with extra produce
- More than 80% of gardeners are willing to donate

Plant one extra row in your garden. → Try and donate produce that doesn't require refrigeration.

Locate and donate your produce to a local food bank or pantry! → Some Examples: cucumbers, tomatoes, green beans, corn, potatoes, or peppers

Take the pledge to Grow an Extra Row and help provide nutritious food to those in need!
